MXGT Aurum 5 pro

Dimensions WDH: 450x378x422 (in mm) / 39kgs

High Performance High Value! Revolutionary optics & FP2.0 technology delivers high stability for years. **Customize reports** to suit your business needs, & automate workflows and yet costs **30% less than competitors.**

X-RAY DETECTOR World's Leading Detectors provide highest precision.	LONG LASTING Long Lasting Stability	BIS HUID INTEGRATION BIS HUID Integration	CUSTOMIZED REPORT Customized Report with Multiple Options
--	--	--	--

TRIPLE COOLING Triple cooling system to boost the performance	APPLICATIONS Applications : Coating thickness Electroplating liquid chemical & Metal analysis.	LOW COST Low cost of maintenance
--	--	-------------------------------------

Benefits

- **2X Faster Sales:** Double your sales speed.
- **Easy Reports:** Impress & retain clients with custom reports.
- **Hallmark Pass:** Guarantee consistent quality.
- **Fast Assay:** Speed up transactions and trading.
- **Top Accuracy:** Maximize profits with precise analysis

MXGT Aurum 5 FSDD/ FSDD pro

ADVANCED XRF GOLD ANALYZERS

Specification	Aurum 5 Pro	Aurum 5 FSDD	Aurum 5 FSDD Pro
Detector	Si PIN diode Detector	Fast Silicon Drift Detector - FSDD (Imported)	
Collimator	2mm Optional (1mm/1.5mm)	1.5mm Optional (1mm/2mm)	Multi Collimator 0.5/1.5mm
Accuracy	+/- 0.1%, +/-0.02% (999)	+/- 0.1 %, +/- 0.01% (999)	
Element Analysis	K(No.19)~U(No.92)		Al(No.13)~U(No.92)
Software Evaluation	FP2.0 - Fundamental Parameters program FP+ for element analysis of alloys		
Testing Time	15-60 secs	10-60 Secs (User selectable)	
Camera View	Digitally controlled HD Camera with clear and sharp imaging.		
In-built PC	i3/8gb/1tb	i5/8gb/1tb	
Application	Testing Solid, Liquid and powder		+ Coating Thickness
OS	Licensed Microsoft Window 11 pro		

Our Service

Multi Channel Access

Register technical issues 24/7 via WhatsApp, Website, Mobile or Email for instant support.

Online Support

Dedicated Team to support customers within 45 minutes of Ticket registered.

Get On-Site Support

Fast repairs and routine maintenance to keep your equipment running smoothly and avoid unexpected breakdowns.

In-depth Training

Get comprehensive training to unlock your analyzer's full potential and ensure safe, long-lasting operation.

Video Tutorials

To help you recap or revise and learn as and when required.

Protect Your Investment

Choose from industry-leading extended warranties for maximum uptime and peace of mind.

Why Choose Maxsell ?

20 Years of Excellence

4000+ Satisfied customer

Quality Tested Products with 22 Check points

Factory Trained Engineers

Genuine OEM Parts for After Sales Service.

Government Approved product

Approved By AERB
Govt Of India

Your trust, our priority: AERB type approval guarantees product excellence and safety. Our commitment to safety, reliability, and regulatory excellence.

Certifications, Standards & Approvals: CE, RoHS, FCC, ISO 23345, ISO 3497
